OUR SERVICES

General Construction

We are suited for various forms of construction projects such as design, build, and remodel. This service provided by IMC will generally involve a general contractor who will oversee every part of the process.

Architectural Design/Plans

This service provide is basically the sketch, diagram, plan, or schematic we have done for the client to be used in the design and construction of the home or commercial building.

3D Rendering

This process of service by IMC is creating a photorealistic 2D image from 3D models. 3D rendering is the final step in the process of 3D visualization, which involves creating models of objects, texturing those objects, and adding lighting to the scene.

Renovation

This process of service by IMC is basically improving broken, damaged, or outdated structures. Renovations are typically done on either commercial or residential buildings.

Engineering Report

The report created by IMC basically collects and compiles data and ideas, conducts testing, and organize the information we gained into comprehensible results for the Parish Council.

Surveyors Report

The report created by IMC basically indicates whether a parcel of land conforms to the restrictions set out on the Certificate of Title. It also indicates if there are any encroachments on the registered boundaries. Topographic Surveying

Bill of Quantity

This is a document prepared by our in-team quantity survey to define the quality and quantity of works required to be carried out by the main contractor to complete a project.

Parish Council Submission

The finalized drawing will be submitted by the team to the prospective Parish Council to be stamped and approved to start construction

Construction Equipment and Tool Rental

IMC supply a large selection of construction equipment and tools. When you choose to work with us, you can be sure to get what you need, when you need it.

Smart Home Automation Sale and Installation

IMC supply and install smart home automation systems islandwide. Choose from our wide range of quality brands. Call for free consultation.
